HANDMADE HEARTFELT

This has always been our philosophy from day one. We offer our nutritious, healthy, delicious food served with love. Simple.

In the beginning there was hummus. We didn't invent it - this ancient dish has been with us forever. We have simply taken on a mission to share this wonderful food with as many people as possible. Call it our destiny!

We started small, back in 2005. A tiny place in the lovely area of Kertész in Budapest. Offering our guests hummus, falafels and a couple of salads. Guests liked us, so we opened another... and another, and another.

Through the skies and across the seas and oceans, the best ingredients travel to us. Happed to be reborn as your favorite hummusbar dish. Aye, aye Capt'n!

Besides Hungary we operate restaurants in Slovakia, Bulgaria and Portugal.
